The annual Rand Show concluded with a remarkable surprise for one lucky couple who emerged as the winners of a luxurious vacation to Mauritius, sponsored by award-winning travel specialists IOI Holidays.

The couple initially doubted the authenticity of their win, attributing it to an April Fool's joke. "At the time, it sounded too good to be true, especially since it was April 1st," said the winners. "My partner even thought it was just a prank. But as reality sets in, the excitement among our family and friends is palpable. We're truly grateful to IOI Holidays for this amazing opportunity and can't wait to embark on this unforgettable trip."

Lebo and Kgomotso will be treated to an idyllic stay at the Sands Suites Resort & Spa, a distinguished four-star Deluxe hotel nestled on the serene Flic enFlac beach on Mauritius's west coast. The resort is celebrated for its exquisite setting and local charm, offering guests a blend of luxury, tranquillity, and authentic Mauritian hospitality.

The prize includes various tailor-made activities to enhance the couple's experience. From relaxing on the sandy beach and swimming in the turquoise sea to enjoying memorable sunsets, Sands Suites Resort & Spa provides a romantic and genuine environment perfect for creating lasting memories.

"From white sandy beaches in Mauritius to the mysterious Mesozoic rocks of the Seychelles, IOI Holidays is committed to delivering top-notch travel experiences with an emphasis on customer satisfaction said Kriveshan Naidoo, marketing manager for IOI Holidays. "We are thrilled to offer this dream vacation to Lebo and Kgomotso and look forward to helping them create a vacation filled with romance and adventure."
