Howard Audio has launched into 2024 with a multitude of exciting projects, ranging from TV and radio final mix to original music recordings. We look forward to another year of creativity and continued collaboration in the dynamic and vibrant world of audio and music.

2023 was an amazing year for Howard Audio - winning multiple awards in all the facets of our business:

- Final mix
- Original music composition
- Long form audio post
- Dolby Atmos mixing and mastering
- Music recording and mixing
- Music events

Check out some of our highlights from 2023:

Our final mix and original music for commercials was recognised at the Loerie Awards - picking up two gold, one bronze and a craft certificate:
