

Associations Indaba

The conference for growing Associations and Member Based Organisations

Associations Indaba is an exciting new conference designed for professionals managing associations, societies, unions, boards, councils, guilds, federations, clubs or any other member-based organisations. The content of this conference aims to help delegates excel in areas such as member recruitment, member relations, communications, marketing, lobbying and more. The conference is open to all associations and membership based organisations. Make sure you book your team for this full-day conference in Sandton that will promote the success of your association.
