

Nando's has hilarious response to Pick n Pay's new 'iNkukhu' advert

Nando's brought the burn when they responded to Pick n Pay's new 'iNkukhu' ad on Twitter.

Yuh, kwaze kwa'awks.

Last week local retailer, Pick n Pay launched a new chicken range and referred to it as 'iNkukhu' (the isiXhosa and isiZulu word for chicken) in an ad it shared with its following on Twitter.

“ It's not just Chicken, it's iNkukhu 💎💎 Our all-new summer range is perfect for the braai. Get your summer sorted here > <https://t.co/RmeRsY7eIF> #PnpSummerSorted [pic.twitter.com/uOR8Ndas2Y](https://t.co/pic.twitter.com/uOR8Ndas2Y)— Pick n Pay (@PicknPay) [September 3, 2019](#) ”

Fast-food chain, Nando's was quick to respond and naturally Twitter was abuzz with commentary as the tongue-in-cheek remark quickly went viral.
