

Just add Instagram: Bizcommunity + coffee = community

Issued by Bizcommunity.com

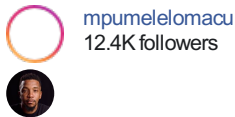

26 Aug 2014

On behalf of Bizcommunity.com, we would like to take this opportunity to thank all the friendly and talented South African photographers who contributed over 500 entries in our recent Biz Breakfast and Breaking news competition.

We loved the idea of marrying the real social and business activity of having a daily coffee with the virtual nature of Bizcommunity's daily industry news offering. With so many amazing images we wish we could have given 10 times as many prizes - please see a selection of entries below or [click here for all the entries](#).

We welcome the awesome new [Biz Instagram](#) community to our other social communities - 20K on [Twitter](#), 8,6K on [Facebook](#) and 328K monthly website readers. Our special thanks to all those who contributed so many entries - please keep them coming. The next phase of the competition offers even more scope for creative fun.

After agonising and exhaustive deliberation we are thrilled to announce the winner of the coffee competition as [@mpumelelomaco](#). We loved the gritty, moody context of Mpumelelo's coffee, taken at [Sidecar Caffé](#) in Three Anchor Bay, Cape Town.

More chances to win

As the name denotes, Bizcommunity showcases and promotes business communities from Africa to the world.

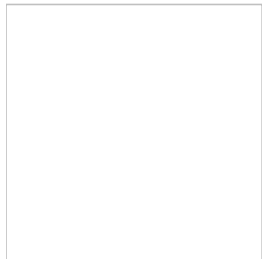

From now until end October 2014 we'll be offering monthly prize packages, R1,000 cash, R1,000 Beluga restaurant vouchers and another grand prize of an iPad to individuals and businesses posting images of their offices interiors and

exteriors from anywhere in our region, over the next two months. As our head office is based in Cape Town, which has been awarded the title World Design Capital 2014, we hope the images that are submitted will show that design does not end in Cape Town, but will celebrate business communities across the whole of South Africa and the African continent.

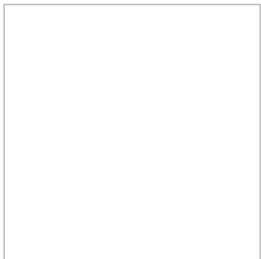

To participate follow [@bizcommunity](#) on Instagram, mention [@bizcommunity](#) and tag **#myofficeinafrica** in your main caption.

Thanks to everybody who participated, especially those who sent in multiple entries, please carry on sharing with the next competition. Below is a sample of entries, [click here to see all entries](#).
