

Unboxing the Loeries 2018

Issued by Bizcommunity.com

20 Aug 2018

In praise, honour and celebration of all African and Middle Eastern creative superheroes, we're delighted to deliver your Loeries 2018 content highlights package - direct to your inbox and including at least 10 exclusive exposés and insider interviews.

We invite you to unpack Jessica Tennant's interview with Loeries Hall of Fame inductee [Greg Gray](#), Leigh Andrews' interludes with both Marketing Leadership and Innovation winner, [Doug Place](#) and incoming Loeries chair, [Tseliso Rangaka](#) and to uncover Angie White's coverage of the [WiM Africa event](#) (which also happened to be moderated by Bizcommunity's own proudly African Woman in Marketing, Leigh Andrews) and much more [Loeries Creative Week](#) content ready to share with clients and colleagues.

So, go ahead and rip the wrappers off this year's Loeries to reveal all the quotable quotes, winners, work and insights with our compliments. Speaking of compliments, how good did our team look in their [@FoschiniSA](#) sponsored outfits!

To our Loeries partners, hosts and all the local and international friends we made at the 40th Annual Loerie Awards!

Ngiyabonga!
