

Howard Audio launches into 2024!

Issued by <u>Howard Audio</u> 24 Jan 2024

Howard Audio has launched into 2024 with a multitude of exciting projects, ranging from TV and radio final mix to original music recordings. We look forward to another year of creativity and continued collaboration in the dynamic and vibrant world of audio and music.

2023 was an amazing year for Howard Audio - winning multiple awards in all the facets of our business:

- Final mix
- Original music composition
- · Long form audio post
- · Dolby Atmos mixing and mastering
- · Music recording and mixing
- Music events

Check out some of our highlights from 2023:

Our final mix and original music for commercials was recognised at the Loerie Awards - picking up two gold, one bronze and a craft certificate:

Campaign Bronze for DSTV's "Loadshedding" radio spot for Ogilvy SA

<u>Campaign Craft Gold Loerie for Boomtown's "A Million Girls Foundation" radio spot (non-English)</u> <u>Campaign Craft Gold (and a Craft Certificate) for Promise and PPS's "The Forgotten Graduate"</u>

Some of our longform work form last year included working on films and series for streaming services such as Netflix and Amazon. Being a Dolby Atmos facility, we can deliver in any format required. Runs In The Family has already won many awards worldwide.
