

Breaking Ballet No. 06

It's January or, as Twitter calls it, #JanuWorry – a popular South African meme that makes light of the financial quagmire most of us currently find ourselves in. From social media to popular talk shows, #JanuWorry has trended consistently all month. After all, humour is always the best way to get through trying times. As we crawl towards payday, and with the 'end in sight', what better way to express our JanuWorry fatigue than through comedy and dance?
