

Three-year SAICE CPD service provider status for dmg events

dmg events has been certified as an Engineering Council of South Africa (ECSA) CPD service provider for three years (SAICE).

dmg events has been awarded its first longer-term agreement as a Continuing Professional Development (CPD) service provider to train civil engineers throughout South Africa at one of its trade shows.

The company's portfolio includes industry-leading events in energy, construction, hotel and design, coatings and transportation, including The Big 5 Construct, Transport Evolution and The Hotel & Hospitality Show.
