

Two new appointments for Chemical and Allied Industries' Association

The worldwide network of chemical industry associations, Chemical and Allied Industries' Association (CAIA) has appointed Dr Mlu Ganto and Amon Nyamhinguru as the head of regulatory affairs and responsible care manager, respectively. Dr Ganto holds a doctorate in chemistry, whilst Nyamhingura holds an MSc in chemistry - Nyamhinguru will be responsible for the implantation and maintenance of the CAIA's Responsible Care initiative in South Africa.
