Today, I message and talk to my family every single day despite being 9,000 miles away, for as long as we want.

“ For me, time is the new oil and data is the new currency, and I'm so appreciative that technology has given us this gift. ”

📌 **Elaborate on the importance of celebrating digital creative work in 2018.**

Not only are we celebrating a decade of recognising and awarding the best in class at SA's 'digital Oscars', we've seen move in recent years to purpose-driven marketing being recognised for more than just the 'feels' – it makes an impact, while also showcasing the excellence of our membership's creative genius – and digital is critical to the success and efficacy of those campaigns.

ROI has never been more important and great digital creative can deliver that effectively and – importantly – cost effectively through integrated and increasingly digital-first campaigns.

SA. Where do we shine and what's still lacking?

From a trends point of view, the influencer market is undergoing a shake-up, brands aren't seeing value from the 'big tier' influencers and the shift is to smaller, hyper-focussed influencers that have niche, highly engaged audiences.

📌 **What are you personally most looking forward to from this year's IAB Digital Summit and Bookmarks?**

Nostalgia... We have been reflecting on a decade of digital in preparation for the 10th anniversary of the Bookmark Awards and it's been a wonderful trip down memory lane. We look forward to sharing some of that nostalgia as we celebrate this milestone moment in digital.
