

Michael Tétreault Schilling joins ENSafrica

ENSafrica is proud to announce that Michael Tétreault Schilling has joined the firm as an executive.

Michael brings over twenty years' experience in developed and emerging markets, having previously worked in Canada, China, South East Asia, Central Asia, and Central and Eastern Europe. He has extensive experience in entering and unlocking new markets, experience that he will use to advance ENSafrica's ever-growing African footprint.

ENSafrica is proud to welcome someone of Michael's calibre and standing into our fold. Michael's experience in comprehensively expanding legal services into neighbouring jurisdictions is well known, and his skill in this cross-border assimilation is in line with our vision to be the African law firm of choice.
