

Aki Anastasiou talks to the who's who of SA's IT and business world

Issued by [Broad Media](#)

1 Jul 2022

There is one thing South Africa's top ICT executives and business leaders have in common - they have all appeared on [What's Next with Aki Anastasiou](#).

What's Next with Aki Anastasiou is South Africa's premier technology talk show with a strong presence on all online platforms, including YouTube and Facebook.

The show launched in June 2020, and over the last two years, Anastasiou has interviewed the who's who of South Africa's IT and business world.

Guests include business leader Michael Jordaan, Vodacom CEO Shameel Joosub, Dimension Data founder Jeremy Ord, and Sygnia CEO Magda Wierzycka.

He also spoke to Discovery CEO Adrian Gore, FNB CEO Jacques Celliers, Capitec Bank CEO Gerrie Fourie, and OUTsurance CEO Danie Matthee.

ICT business leaders on the show included EOH CEO Stephen van Coller, Afrihost CEO Gian Visser, Dell SE MD Doug Woolley, Vumatel CEO Dietlof Mare, and Liquid SA CEO Deon Geyser.

The show became an instant hit thanks to Anastasiou's excellent interview style and the quality of his guests.

Since June 2020, What's Next with Aki Anastasiou racked up over 2.5 million views and is well on its way to three million.

What's Next producer Weich Malan said the show had been a runaway success, and he is confident that it will continue to grow and reach new audiences.

“Companies, executives, and the South African IT community love the show, and we have a lot of fun working with Aki and the guests,” said Malan.

What’s Next, sponsored by Accenture

A new limited series of What’s Next, sponsored by Accenture, features several influential speakers, including:

- Nitesh Singh – Managing Director of Accenture South Africa.
- Kgomotso Lebele – Technology Lead for Accenture in Africa.
- Boland Lithebe – Security Lead for Accenture in Africa.

These experts talk about the IT services and consulting landscape in South Africa and are well-positioned to provide insight into this important sector.
