

Travelport appoints Nick Bray as CFO

Technology company Travelport has made Nick Bray its Chief Financial Officer (CFO). Bray plays a fundamental role in the execution of Travelport's strategy.

He is based at Travelport's global headquarters in Langley, Berkshire, UK. Bray was recently CFO of Sophos, a role he held for nine years.

He has spent over 25 years in the technology sector and has a track record of significantly increasing company value by accelerating growth.
