

Loeries Exhibition ends off in Namibia

Windhoek is the last port of call for the yearlong [Loeries Travelling Exhibition](#), sponsored by Adobe, when DV8 Saatchi & Saatchi host it at the 99FM Playhouse Theatre, 9-11 November 2011. The official opening and the interactive workshop will take place in the 99FM Playhouse Theatre on 9 November, while the expo of winning creative work will be displayed in the adjacent gallery.

Democratic Media Holdings has sponsored both these venues. "The Loeries have always served as a benchmark for the Namibian creative industry and we're proud to be able to showcase the 'best of the best' from the 32nd Annual Loerie Awards," says Mark Bongers of DV8 Saatchi & Saatchi.
