

3D Shell exhibits EziXpo

3D Shell, part of the 3D Group, demonstrated its web-driven exhibitor and services management system, *EziXpo* at the first *Exhibitions of Exhibitions* that took place at the Blue Wing Conference and Events Venue at the TicketPro Dome in Johannesburg.

Organised by the Association of African Exhibition Organisers (AAXO), the exhibition equips exhibition organisers and exhibitors with information and innovative tools to expand the exhibition industry by providing a platform to showcase their skills and ideas.
