| Reference:   | #NG59027                               |
| Company:     | <a href="#">e-Merge IT Recruitment</a> |

A leader in the healthcare market committed to increasing access to affordable primary healthcare for all South Africans through its retail pharmacy and pharmaceutical wholesale businesses are looking to recruit a **senior data analyst** to work within their Internal Audit department supporting the department goals to increase efficient and effective use of data analytics by obtaining more timely access to and management of data assets.

## Responsibilities:

- Assist in investigations and other management requests as necessary by gathering, sorting, and making sense of necessary data.
- Proactively search for data anomalies that could be indicative of control issues.
- Work with internal auditors to understand data needs and brainstorm ways to perform audits more efficiently.
- Drive the implementation of a continuous monitoring framework using data analytics to support the relevant internal audit projects
- Perform special reviews of operations when requested
- Linking of different data streams and visualisations and graphic output; upskilling and SAS, ACL
- Tableau, and visualisations tools

## Qualifications and experience:

- Bachelor's degree or above in quantitative fields or related fields
- Postgraduate degree in quantitative or related fields (advantageous)
- 5-8 years data analytics experience
- experience in data management, governance, data acquisition and modelling, data structures
- and architecture.
- 3-5 years financial systems or system auditing experience
- Experience in using visualisation tools such as Tableau and Power BI

**The Reference Number** for this position is **NG59027** which is a **permanent hybrid position** based in **Cape Town** offering a cost to company of **R650,000 up to R850,000 per annum** negotiable on experience and ability. Contact Nokuthula at [nokuthulag@e-merge.co.za](mailto:nokuthulag@e-merge.co.za) or call her on **011 463 3633** to discuss this and other opportunities.
