

Ogilvy Johannesburg wins best Bafana Bafana supporters prize

Ogilvy Johannesburg has won the national Best Bafana Bafana Supporters prize, awarded yesterday by Steven Pienaar.

Pienaar was greeted with a roaring hero's welcome as he visited the agency's offices and presented MD Julian Ribeiro with a signed number 10 Bafana shirt.

Ogilvy Johannesburg transformed its offices in Bryanston into a Bafana supporters club during the tournament - and in the months leading up to it - complete with flags, makarapas and murals galore.
