

## Search for undiscovered local designers

A competition from *True Love* offers local designers the opportunity to make themselves a name on the local fashion scene and win prizes in the 2010 *True Love* South African Undiscovered Designer.

"If you are a fashion-design graduate, up-and-coming designer, or have created your own fashion line and need to showcase it, then this is your chance to make your mark on the African fashion scene," says Jonathan Harris, CEO and publisher of Thought24. "We have also enlisted the help of our readers and we will be asking them to cast their votes online for their favourite South African Undiscovered Fashion Designer."
