

All the 2021/2022 Corobrik SAIA Awards of Merit and Awards for Excellence winners

The winners of the 2021/2022 Corobrik South African Institute of Architecture (SAIA) Awards of Merit and Awards for Excellence were announced in Johannesburg late last month. The adjudication panel received a total of 42 projects that were entered into the national awards programme.

2021/2022 Corobrik SAIA Awards commendation recipient Die Groenhuis by Slee & Co. Architects

"The SAIA awards are an important event in the South African architectural calendar. They are an opportunity to recognise and celebrate excellence in a profession that has a profound impact in shaping our homes, neighbourhoods and cities, thus adding value to our daily lives and experiences," said Amira Osman, SAIA president.

The 2021/2022 Corobrik-SAIA Awards of Merit and Awards for Excellence were awarded to the following recipients:
