Friday night after awards parties will all centre around the Long Street Café. DJ's include Bruno Morphet (Killer Robot), Good Luck (Live Electro Act), The Champs, Mpholo, Ready D

On Saturday during the day, 10am - 5pm, the fabulous [www.10and5.com](http://www.10and5.com) is throwing a little get together aimed at bringing our community of illustrators, designers, photographers and other people together. SCAR Hair will be dishing out free styli and there'll be a VICE TV room showing some hot videos and movies, as well as a FOOZI table. The venue is still a secret, if you want to go, be sure to sign up at the website by Friday to get all the details.

Alternatively if you want to hob-nob with the who's who in the creative world, you can try and get an invite to the Collective Films Villa party, on Saturday from 10.30am onwards, featuring an open bar and cool Atlantic beats by DJ Rene.

There's sure to be other industry parties here and there as well, but you don't crack an invite or you don't feel like it, all the agencies will be lunching on the strip in Camps Bay, on Friday and Saturday anyway, so you can always just hang out till it's time to go to the awards where there will be live music and bars and stuff from 4.30pm.

The Saturday night after parties are again in Long Street - DJ's include Bruno Morphet (Killer Robot), Tyrone Paulson (Good Hope FM), Goldfish, Thibo Tazz, Kurt (Top Dawg Good Hope FM), whereafter you can do your thing till it's time to go to the airport at Metropolitan Republic's late night after-party at the [House of Rasputin](#) in New Market Street.
