

Telecoms services provider to co-sponsor digital expo

FNB, via its ISP business unit FNB Connect has partnered with DigitalLife Expo 2011, as an official co-sponsor. The DigitalLife Expo, South Africa's premier digital lifestyle showcase, taking place from 2-4 December 2011 at the Coca-Cola dome, brings to life cutting-edge technology, demonstrating its practical application in the home, on the move and at the office. FNB will use its participation at DigitalLife Expo 2011 to demonstrate its Connect Surf ADSL, 3G Data, Connect Talk and the recently launched FNB Banking App for Smartphone and tablet devices.
