

Hobbs Sinclair Advisory appoints Geo Kilian as tax attorney

Hobbs Sinclair Advisory has appointed Geo Kilian as a tax attorney. Kilian offers specialised advice on the broad spectrum of taxes that impact clients' businesses. His responsibilities will include consulting and advisory services, as well as assistance with tax planning and structuring. His role extends to tax administration, litigation services and dispute resolution with SARS. Furthermore, Kilian will offer insights into international tax considerations, undertake tax due diligence reviews, and guide public benefit organisations, estate planning and income tax compliance.
